STAT

MEMORANDUM FOR:
ACTING NATIONAL INTELLIGENCE OFFICER
FOR EAST ASIA AND THE PACIFIC

FROM: CLAY McMANAWAY *CM*

Subject: Indochinese Refugee Paper

I want to express the appreciation of the Interagency Task Force on Indochinese Refugees for the NIO paper of September 1 on Indochinese refugees outflow. The paper formed the basis of the task force estimate of the number of refugees who will be eligible for acceptance by the United States over the next three and one-half years. As such, the paper was crucial to the task force study.

A copy of the task force report is available to you, should you be interested, through Tom Miller of INR.

Thank you for your important contribution.
